47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Until Sonic came along I was stuck with DSL service from AT&T at 1.2 megabits for fifteen years because AT&T refused to upgrade their service, and I live in San Francisco CA. With Sonic I now have fiber optical gigabit service and am very pleased with it. Please don't let massive telecoms impede progress for financial gain.
