**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business person and Sonic customer based in Silicon Valley. I need competitively priced internet service to serve my startup customers. Without a cost effective way to collaborate we can not deliver innovative services.

Telephone companies do not offer fair services to starting businesses and never have - Sonic provides great service that suits small and growing businesses.
