**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the US Telecom petition. Prices are high already. We need competition to keep the prices at least stable. I say NO to increased prices and less competition. I want a local business to deal with. People who actually work at the company when they answer the phones. Broadband is a necessity for everyone now a days. Lets keep it affordable with more competition. Phone service too. Come on FCC, fight for the public right to access the fastest, most affordable broadband there is. More choice is needed, not less.

Thanks.
