**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have waited many years (decades even) to have the opportunity to choose a competitive provider like Sonic for my internet and phone access. I've lived in Los Angeles, Baltimore, Boston, and now San Francisco. And in all of these places I've only had 1 or at most 2 providers, both with fixed prices and infamously bad customer service.

Finally, I live in an area where Sonic is available and I feel like I actually have *real* options as a consumer.

This is a reality that everyone should be able to share regardless of where they live! We need more access, not less.
