**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have an ISP which still practices neutral traffic so I can enjoy any site I like. As I visit several international news sites, and I doubt they would pay Comcast for preferred traffic in the US, I need this option.

I do not want you to force me into a lack of choice in who provides my internet.

I enjoy my low bill, lack of competition would allow a monopoly which would significantly increase it.

Please ignore this obvious corporate interest move that is not in mine. You know, the taxpayers you work for.

Thanks,

Jonathan
