**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to voice my support for local broadband providers who fill an essential role in providing news, broadband and affordable internet access in local markets. They also provide an option that protects against priority access within internet traffic, enabling broad access for all sources, rather than allowing financially powerful corporations from dominating our access to content. I support the Bridge to Broadband access.

Sincerely,

Chloe Wurr
