**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been using a competitive provider (Sonic) for five years. I have found the experience superior in every way to previous experience with AT&T. Better customer service, a steady price vs low teaser rates and high ongoing rates, and privacy-oriented policies. As ISP competition in the US is not robust compared to much of the world, with two or fewer options available to most Americans, I urge you to continue the rule requiring telecom companies to lease their copper infrastructure to CLECs.
