**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition.

I chose Sonic, a local internet provider, because of their ethical business practices, excellent customer service, and dependable product--none of which are things that AT&T or Comcast offer.

Sonic does not engage in price-gouging or bandwidth throttling, and remains committed to net neutrality.

A choice between two media monoliths who care more for their shareholders than their customers is not a choice.

Do the right thing. Refuse the USTelecom petition.
