**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC and Mr. Ajit Pai,

I have been a small computer business owner and an individual user of the Internet since 1981, have always used private (small) carriers for privacy and personalized service. As a professional, I am positive that removing net neutrality would be wrong. Please do not let this president and his agenda-laden cronies (read: Money-driven) repeal net neutrality.

This would be opening the door to a host of issues the like of which you will never see the end.
