**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they had a quality product at a better price than AT&T and Xfinity. We need broadband competition to keep the price of the internet down. I am tired of seeing this country whittled down to two choices in almost everything; Lowes vs Home Depot, Walmart vs Target.

Please keep broadband services competitive.
