**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am emailing to voice my concerned need as for the need to allow, provide, and support smaller competition in the telecommunication service business.

I have witnessed AT&T trust busted twice now. I have been at the receiving end of their shady product promotions on numerous occasions. I believe competition actually helps keep the marketplace more friendly and honest.

Ensure better services through competition in the market place, not monopolies protected by unfair political pressure.
