**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who operates with staff nationwide. I rely heavily on competitive broadband internet services for my staff and client work. Keep broadband services competitive in all markets.

The services I currently get in San Francisco are an upgrade from DSL to fiber as a result of competitive options. We need to keep these available for both performance and pricing reasons.
