**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose my provider (Sonic) because it was far superior to what I was getting. It was also cheaper. There needs to be competition or innovation and quality will suffer. Internet is an important facet in practically everyone's lives, and the access to quality and affordable internet is paramount to achieving some level of fairness to everyone in our society. The lack of access only contributes more to socioeconomic disparity, which hurts our whole society.

Thank you for your time.
