**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community, and my local broadband provider gives me DSL and telephone service at a very competitive price. I could go with one of the huge providers, at triple the cost. If the phone services are deregulated, and raised their prices, it would hurt me. My local provider is expanding their fiber network and I look forward to the day when it comes out my way, since they give me great service. I don't want them to go away!
