**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a family in 95405 and have gotten our internet service from a competitive local company for the last three or four years. We selected this company for their pricing, service, and data security. It is vital that consumers all across our country have access to a competitive selection of providers that are motivated to innovate, provide responsive customer service, and keep their prices down. Please do not let the large corporations gut these important regulations.
