**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I along with a group of friends and family run a small LLC known as OmniComics and we rely on the free competition of broadband providers ie: freedom of the internet.

It is a gross misuse of power to monopolize the internet and you might find that your plan will backfire, actually driving buisness away.
