**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local ISP and rely on them for my stable, quality, reliable internet service. I appreciate their wonderful staff of professional, skilled local residents, and their engagement with our community. They are not just a valuable part of my life through their services, they are a valuable part of our community. I would hate for any negative impacts to hit them because of unjust changes in law. Please protect our local broadband providers!
