**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a very enthusiastic subscriber to my Internet Service Provider Sonic.net. They offer a landline and internet service at an affordable price. Their customer service is excellent - I always get a live person on the phone almost right away. I contrast this with my experience with Comcast, where it takes forever to talk to a person, and then they are not in the US. As I head into retirement, I am relying on this most affordable service for my communication needs. Please do not limit my local provider's ability to continue.
