**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am the owner of a small business that uses Sonic. Please protect us and say NO to price hikes that will increase the cost of internet and telephone services for my company.

Broadband is critical to our business since we build websites for nonprofit organizations. We are also a distributed company with employees Nationwide so our internet connection is imperative to the success of our internal communications and ultimate success.
