**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to have choice in Telecom. I am a small business owner and rely on good quality broadband from a quality service provider. I have had nothing but trouble with big companies like ATT and feel it is not a fair business practice to legislate against competition. Please support the American People by keeping competition alive for their choices.

Thank you,
