**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic.net because they are the best internet service provider I have ever used. They provide reliable, fast connectivity, compelling pricing, and incredible customer service. I had previously used both Comcast and AT&T and I really do not want to be forced to go back to their overpriced, substandard services. Please do not kill competitive businesses by regulating in favor monopolistic megacorporations.
