**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep Telecomm choice and net neutrality alive and well! To not do so is dereliction of duty.  
Broadband competition is central to America's place at the forefront of the global economy.  
Entrenched monopolies spend their lobbying dollars to protect the status quo. It's unacceptable. Our  
public infrastructure risks falling to 3rd world standards.
