**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need independent ISPs providing alternatives to the monopolies that are throttling internet traffic and showing preferential treatment to some content over others.

Protect the Internet!

Broadband Internet is crucial to my business and my partners. Without Gigabit service I cannot function.
