**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a senior citizen looking for a fair deal on internet and phone. I have been retired for 18 years and every time I turned around the rates have gone up. All the big providers keep uping the rates on internet and phone. My last provider was with ATT but my rates keep going up. It was a good deal for me to go to Sonic and have got good service. I think competition is good for the consumer.

Sincerely,

Cleo Fry
