47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love Sonic and the service they provide. They have been a WAY better experience than Comcast or AT&T (I've had both). They are reliable and a better price and better customer service. Please make sure that they are able to exist and provide this excellent service! It would be a shame to see big business squash them.
