**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition creates better service and pricing for all customers. I chose my small internet provider as I get better service and speed for a much better price than the BIG corporate guys.

Keep internet service provider competition alive for consumers.

I was able to increase my internet speed 10 fold while lowering my monthly price .

I cannot do business without fast internet service and as a small business, the low price allows me to stay competitive.

Thanks
