**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly oppose one or two (or three!) companies monopolizing access to the internet. I used to pay a very large company for access. I found that company very difficult to deal with (rate increases, difficulty cancelling / changing the terms of my service). I now use a small ISP (Sonic) that provides me good, reliable service at a fixed price. Please don't let the monopolizers push small ISP's out of the market.

Sincerely,

Peter Gemmell
