**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner that absolutely supports broadband competition. Sonic is my provider and I left larger companies such as ATT, as the customer service was so much better with Sonic. Without competition there will be price hikes.

The prices for my home phone and internet are far better with Sonic than with ATT.
