**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family recently move from Brooklyn NY to San Francisco and were delighted to choose from 4 or 5 internet providers. we were able to get the service we need at the right price from Sonic. over 12 years in Brooklyn we were never able to get competitive service (DSL only, slow for 2005) or prices and our experience with a Big Telecom Provider (Verizon) was miserable and everyone said Time Warner was worse. We have fiber service now and pay 2/3rds of what we used to (including a phone line). Save competition and let new small companies compete for business!
