**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a happy customer of a small/local but very competitive ISP, I urge you to allow free competition. Please do not allow large providers to compete unfairly. Large providers of course have every right to be around, but they should win customers on merit - not because you help them, by killing their smaller competitors. Please understand that fair competition is good, and unfair competition is un-democratic. We live in the US, not China.
