**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't get rid of competition. Competition makes internet costs more reasonable. With only two providers, internet costs were ridiculous in San Francisco. I am saving over \$150 a month on my home and my business internet services since switching from Comcast to Sonic.

Comcast was able to unreasonably inflate prices as only one of 2 providers before Sonic came along this year. Monopolies are not good for my home, my business or my community.

Thank you for protecting the public over protecting corporations.
