**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been happily utilizing Sonic as an Internet provider for at least a year and am much happier with them than I was with Xfinity. They offer a better service at very competitive rates. Losing them as our internet provider would not only throw a wrench in our leisure time, but also my work and school productivity levels.

We sincerely hope that you will allow them to continue to provide the amazing service that they do.

Thank you!
