**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual consumer and support broadband competition. It is only through aggressive competition does the consumer benefit from lower prices in the market place. Without competition in the market place, we the consumers get screwed!

I am asking that the FCC protect us "the little people." Those of us on fixed incomes, living on Social Security and pensions.

Sincerely yours,

Thomas Henderson
