Dear Ms. Dortch:

On Friday, September 9th, as counsel to the Smart Communities and Special District's Coalition, the undersigned sent the attached email to Will Adams, Legal Advisor to Commissioner Carr and Umair Javed, Legal Advisor to Commissioner Rosenworcel with the contained request for the Commission to clarify the dates from which appeals and petitions for reconsideration in response to the anticipated Declaratory Ruling and 3rd Report and Order in the above dockets.

Pursuant to Section 1.1206(a) of the Commission's rules, a copy of this letter is being electronically submitted into the record of these proceedings. Please do not hesitate to contact the undersigned with any questions.

Sincerely,

Subject: Ordering Clause Clarification Request

Will and Umair:

Because the September 26 item will have both a Declaratory Ruling and a Report and Order – despite Ordering Clause (§148) saying the effective date for both items is the same -- there is still the potential for confusion or conflict as to when a Recon Petition or Appeal would take place. In the past the Commission has added the following clause to make sure all the dates were the same. Could we request that you do the same in this item?

IT IS FURTHER ORDERED that, pursuant to 47 CFR § 1.4(b)(1), the period for filing petitions for reconsideration or petitions for judicial review of this Declaratory Ruling, Report and Order, and Order will commence on the date that a summary of this Declaratory Ruling, Report and Order, and Order is published in the Federal Register.

This language is from the *Restoring Internet Freedom Order*.
