**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I believe that hikes will increase the cost of internet and telephone services.

Also, broadband is critical to my home and business.

Thanks for your willingness to consider people like me who have lives disconnected from people such as you who pull the strings and allow fat cats to feed off the rest of us. During the days of Awe (Rosh Hashana) I pray God awakens your heart to the importance, as an American, to the imperative of considering our collective well being before the narcissism that has afflicted your motivations .

Sincerely,

JUDITH RUBIN
