**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep our telecommunications competitive. We don't need anymore monopolies. This new administration seems to think that competition is a bad thing. It's already a shame that there are only 4 quality cell carriers in the US. Thus, pricing is much higher than in Europe where quality of service is much better and much cheaper. We need REAL competition so we don't continue to get raped by these big corporations.
