**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not repeal the 1996 telecommunications Act granting competing phone and internet companies wholesale access to copper wire phone infrastructure.

As a senior citizen on social security, I depend on having choices that fit my budget. I have Sonic for my phone and internet, a company that does not gouge me like the companies I had before.
