**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In this highly interconnected world, access to internet should not only be affordable but also flexible with no lock-in with specific vendors. In a competitive market place, I would have more choices to choose from and helps me choose the right service provider giving the right price.

Thank you
Badri
