Re: Notice of Ex Parte, PS Docket No. 13-75

On September 6, 2018, Frank Korinek, Director Government Affairs, Jeff Wittek, Principal Consultant Strategy, Gene Fullano, Senior Director Government Affairs, and Bennett Ross, Wiley Rein LLP, on behalf of Motorola Solutions, Inc., met with members of the Commission's Public Safety and Homeland Security Bureau, Cybersecurity and Communications Reliability Division, concerning the above-captioned proceeding. Present from the Commission were Guy Benson, Attorney Advisor; David Plotinsky, Division Chief; Jennifer Holtz, Deputy Division Chief; and John Healy, Associate Division Chief.

During the meeting, Motorola Solutions answered questions regarding its comments filed in the proceeding, including its proposed clarification to the definition of a "covered 911 service provider." Motorola Solutions explained why clarification of this definition was appropriate and how its proposed definition would accommodate evolution in the 911 ecosystem.

If there are any questions regarding this matter, please contact me.

Respectfully submitted,
