**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use two providers, Comcast for internet and television and AT&T for our landlines and cellphones. Both provide unreliable and often very poor service. We get very frustrated. AT&T and Comcast, are very large (almost monopolies) and we feel with these providers. Perhaps they might provide better service with more competition and choices for consumers and lower their prices.

Competition is good for consumers and may encourage providers to be more service oriented.

Thank you for your attention.
