**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a disabled senior who uses the internet extensively I am very concerned about possible deregulation and the effect that this will have on the prices that we wpay for these services.

AT&T and other BIG providers are nearly monopolies as it is now. Broadband is ever more critical to our modern communication need.

Please DO NOT deregulate these VITAL services!

Thank you for your attention
