**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support competition for broadband competition. The large providers don't provide support and hurt small businesses. Additionally I want an economy that supports small and medium size businesses, not behemoths that can control pricing.

I say NO to price hikes that will increase the cost of internet and telephone services.
