**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a long-time customer of Sonic.net, a competitive provider of broadband & phone service in my neighborhood. In the 10+ years I have been with Sonic.net, I have witnessed repeated price hikes in the broadband service offered by Comcast and AT&T. Meanwhile, Sonic.net has maintained a price that remains affordable to a low- and single-income families.

After repeated price hikes for AT&T phone service over the past couple years, I've also recently switched to using Sonic.net for telephone service. I greatly appreciate that Sonic.net is able to continue to offer affordable internet and phone service in spite of the actions of their competitors.

Please do not cut off competitive access to broadband and telephone service!

Thank you.
