**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please protect the internet, do not bend to political pressure. There are so many people that depend on the internet. I believe that you will do what is best for consumers not corporations.

In an ideal world I would like to see every child have access to the internet, low cost / or free service for those that are not able to pay.

The internet is such a big part of our everyday life, just like having a electricity a phone or a computer. When you make your decision remember or future kids will be effected by your choice.
