**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, Commission Members:

Small businesses are the fundamental economic support of our nation. Please do not support deregulation of Broadband. Broadband competition is essential to our democracy and way of life. To remove those protections that a regulated Broadband guarantees, is to sign an approval for large companies to put small providers out of business.

Thank you for accepting our comments.
