**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because companies such as Comcast, AT&T, and Verizon were not providing the services I needed at reasonable prices. These companies have also gotten so large that good customer service was no longer a priority.

I chose Sonic and have been extremely happy with my service. Fiber internet allows me to use the internet for streaming, work, and fun with reliable service. Since switching to Sonic I have not had to call with internet problems, unlike the competitors. I also receive personal and excellent custom service.

Ending the consumers ability to use a competitive provider would be a big mistake by the FCC.
