**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the US Telecom petition. Continue to allow healthy competition in the industry. As a consumer, I have been very pleased with having options when it comes to choosing an internet service provider. I am a residential and a business customer who needs and appreciates the availability of broadband in my home. When choice is eliminated, we are all confronted with poor service. Monopolies have never served the best interests of the consumer. STOP THE PETITION NOW!

Respectfully,

GARY MILES
