**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic for my internet provider because of the horrible customer service from the two alternatives (ATT and Comcast) and because Sonic offered the lowest price for bundled phone+DSL. I want alternatives to the big national providers to continue. I believe the alternative providers like Sonic lead to improved service and lower prices, both for those like myself, and for those that choose ATT or Comcast, by forcing the big guys to do better to compete with the smaller providers. More choices are better for consumers and for America. It's what the FCC should be committed to creating.
