**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is my provider (phone and internet) and has done a great job for many years! Dont stifle competition for small business, please.
Small business in local markets is what helps our communities to provide jobs and living wages.
I have read that internet is much cheaper outside the USA. No more price hikes like I routinely experienced with AT&T.
