**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet access is critical to my personal business. I use sonic.net as my internet provider. I chose them because of their cost and their exemplary privacy policies. I have used other providers in the past, but there have problems with quality of service and support.

I oppose US Telecom's petition to dismantle key components of the 1996 Telecommunications Act. As a residential Sonic customer, I will be materially affected if this petition is granted.
